

We were chosen as the Ogden School District Elementary Partner of the Year because of the KIND Fund. We received several nominations from grateful educators in both the Ogden and the Weber School Districts. We are honored and extremely grateful!

"WHAT A FABULOUS PROGRAM THIS IS, AND I AM SO GRATEFUL BECAUSE IT WAS SO EASY FOR ME TO DO! MY STUDENT HAD TEARS IN HER EYES FOR THE WONDERFUL BAGS OF CLOTHES, AND SHE COULD NOT SAY THANK YOU ENOUGH... I KNOW IT WAS GREATLY APPRECIATED AND WILL BE USED!"

On May 2nd, we will be assembling 1,000 hygiene kits to be distributed among Teen Drop-In Centers in our community. We will also be KIND Fund shopping with First Lady Abby Cox later that afternoon for 30+ children. These two events will help so many kids in need and it will also help educate our elected officials about the great things we are doing through our foundation.

Advocate Spotlight

Kat Longmore
Central office

Kat is a longtime employee for the Young Automotive Group (11 years). She currently oversees more than 75 employees in the central office. Kat is very passionate about the culture of the office. She is a very positive and kind person and she fosters all employees to be successful in their roles and provides paths for growth. As an advocate, she is great at rallying the team for any Young Caring For Our Young event. We are so lucky to have her on our team!

TAKE A SWING AT HUNGER
YOUNG SUBARU APRIL 2023

Young Subaru and the Young Caring for Our Young Foundation recently held a unique fundraiser that brought the community together to help feed local children in need. **Take A Swing at Hunger** participants were given the opportunity to take out their frustrations on old cars by hitting them with sledgehammers and bats - all for a good cause. We couldn't have done this without **Weber Fire**

District, Da Kine Grindz, Casey Scott of KSL TV, and Oz Marketing who donated their time and proceeds to our event. This event was more than just a way to raise money, it was also an opportunity for people to be a positive force in something more significant. It showed that we can make a difference right here in our community, not just through donations but also through our actions.
